The 2008 Warriors, who were 4-0 on the road against Division II competition, allowed the fewest sacks in the conference, while ranking second in the nation with 4.10 sacks per game. Andrew Jackson became the first first-team All-American in school history, while 12 players were named to the Northeast-10 All-Conference team.

Perry, who has over 15 years of college football coaching experience, started at Merrimack on December 28, 2007 after spending last season as the associate head coach at the University of New Hampshire, his alma mater. The Wildcats finished 2007 with a 7-5 record, reaching the Football Championship Subdivision quarterfinals.
